

Iowa State University
Off-Campus Professional Agriculture Scholarship
Sponsored by
C.R. Musser/ISU Agricultural Endowment

Purpose: To provide assistance for participants of the Professional Agriculture Off-Campus Degree Programs through tuition grants which will also enhance the further development of the program.

The Iowa State University Agricultural Foundation (ISUAE) is pleased to announce the sponsorship of tuition grants which will be available for Off-Campus Professional Agricultural students. An allocation of \$10,000 has been appropriated for this tuition grant program. The grants are provided to assist the growing number of adults who are beginning or continuing their college education degree program. To be eligible students must have been admitted into the Professional Agriculture Undergraduate Bachelor's of Science or Master of Agriculture degree programs at Iowa State University. Recipients may be provided grants for their registration fees up to a maximum of \$500 per semester. Applications will be evaluated and reviewed using the following selection criteria. Evidence of financial need, 25%; Leadership and Service, 25%; Progress in educational program.50%.

Applications must be **printed or typewritten** and submitted for review by **December 15 for spring awards or July 15 for fall awards**. Recipients will be notified of their award within 30 days after the due date for application. Tuition grants will be credited to the recipient's registration fee. **You must be registered for classes on or before the due date for the scholarship application.**

By applying for this scholarship you are giving consent to the following: If you are awarded a scholarship, your name and hometown will be included in public news releases about the recipients of the C.R. Musser/ISUAEt Scholarship.

Name: _____ SSN: _____

Address: _____ County: _____
